

Family Photography on Location

Therefore, as God's chosen people, holy and dearly loved, clothe yourselves with compassion, kindness, humility, gentleness and patience. Bear with each other and forgive whatever grievances you may have against one another. Forgive as the Lord forgave you. And over all these virtues put on love, which binds them all together in perfect unity.

Colossians 3:12-14

Family Photography on Location

Family photography on location provides a customized setting for a variety of photo opportunities, including family portraits, wedding photography, engagement portraits, baby and children portraits, events photography, etc. Each photo session is typically 2-3 hours and is customized to your requirements. Normally, for each photo session, up to 70 digital proofs are provided (including color & b&w images), from which approximately 30 photos can be selected for additional editing and photo enhancements. For these enhancements, multiple digital prints are provided including both color and black & white images suitable for high resolution digital printing in formats up to 24in x 36in.
