

The Woodlands Dance Venture 2011

*Let them praise his name with dancing
and make music to him with tambourine and
harp.*

*For the LORD takes delight in his people;
he crowns the humble with salvation.*

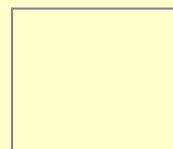

*Let the saints rejoice in this honor
and sing for joy...*

Psalm 149:3-5

The Woodlands Dance Venture

The Woodlands Dance Venture was originally conceived by Mary Boatner and Christina Schanta in August of 2009. In October of 2009 Stephen Hunter was commissioned to photograph several local dancers in various outdoor settings. In this way a unique and vibrant setting was created in order to capture the beauty and charm of the dancers.

Each photo shoot of 2-3 hours duration was conducted on location with up to three dancers, and includes both individual and group shots. Typically, each dancer received at least 50 digital format prints on photo CD (color & b&w), from which 20 photos could be selected for additional editing and photo enhancements.

April 2011 event

In April 2011, Stephen Hunter will again be in the Woodlands area during which time he will again be available for similar photo shoots as those conducted in 2009. Those interested in setting up a photo shoot may contact Christina Schanta or Stephen Hunter, or return this form to Christina.

Additional information is also available on the web at:
